

BBM COLLECTIVE MODEL

2020/2021

GOAL

Represent and highlight trusted Birth & Parenting professionals and the services they offer, through a well established platform (BBM) online and offline, whilst maintaining healthy and purposeful collaborations and relationships.

WHAT DOES IT ENTAIL?

GENERAL

- BBM to rebrand as a **personal brand & collective** vs. a *'Doula & Childbirth support 'agency'*
- BBM to carefully select collective members and has the right to include or refuse members
- Collective will include a maximum of 10-15 birth and/or parenting professionals based in the UAE
- Members will be listed on BBM website, listing their expertise and services they provide.
- BBM to support with promotion of members' services on its social media platforms & others
- Members are responsible for their personal brands via website, social media etc. platforms

- Members are the decision makers on their work and how they want to position/market themselves
- *- Members to obtain their own freelance license
- Collective members can work collaboratively on events, workshops, events, talks, etc. whenever possible
- Each member is her own business but is part of a 'collective' for the aim of supporting each other in this field
- Members have the option of being full time or part time business owners
- *- A nominal fee is requested from collective members

BENEFITS TO MEMBERS (1)

- BE YOUR OWN BOSS! Collective members will not need 'approvals' from BBM on aspects pertaining to running their businesses

- * - BBM will **not** receive a commission from each of the jobs/services the member provides

- Members can set their own prices for the services they provide

- Collective members will be represented by and associated with an established & experienced 'brand' in this niche market

- Members can have their own brand, logos/name, website, social media accounts

- Members can plan and execute their own events and classes according to their needs and schedules

- Members will still receive support from BBM by way of special events invitation / collaboration, workshops

- Members will benefit from been **prioritized** for enquiries and referrals

- Members services can be promoted on BBM networks (social media, website, etc.)

Members to have a dedicated profile page on BBM website, linking to their website/email for direct client-member contact

- Members can have access to personal and professional connections and partnerships made by BBM over the years

BENEFITS TO MEMBERS (2)

- Collective members can directly communicate, coordinate and finalize agreements, payments, discussions with clients/potential clients without going through BBM
- Members to receive special rates/discounts/invitations to BBM events, classes, trainings etc.
- Dedicated FB group for Collective members to share ideas, seek recommendations or offer referrals
- Monthly 'Collective members' meet up for catch ups, updates, recommendations, ideas exchange etc.
- Receive support for setting up your freelancer license (if required)
- Member opportunities for growth with ongoing BBM future projects

- Members to still have a support network and gain a feeling of belonging with a group of like minded women in it for the same goal

Member opportunities to make 'partner' or invest in BBM projects in the future!

POTENTIAL CHALLENGES (OPPORTUNITIES!)

- *- Have to get your own license (e-trader)
- Having **primary** responsibility and drive to get jobs
- Have to do your own admin/finance work (*or outsource!*)
- In charge of your own marketing & promotional activities
- Handling your own Graphic Design (*Canva!*)
