

- International Training Workshop – Dubai, UAE

Profession: Birth Doula

Certifying body: DONA International

DONA International is the world's first, largest and leading doula certifying organization. When the founders created DONA in 1992, they professionalized the role of the doula. Since then, the organization has certified more than 12,000 DONA International doulas in more than 50 countries.

The Mission of DONA International is to promote high quality birth and postpartum support by setting the standard for the doula profession through evidence-based training and certification for doulas of diverse backgrounds.

Training offered in Dubai: DONA Approved Birth Doula Training Workshop, Dubai December 2023

Description:

Students enrolled in the program will be eligible candidates to become certified once they attend the training workshop and complete the requirements outlined in the Certification Packet.

The Birth doula in-person workshop includes hands-on examples of how to provide continuous effective physical and emotional support to women and her partner during labor and birth based on the most current evidence in a way that is appropriate and engaging to millennial families.

The workshop is for anyone interested in assisting women and their families to have a satisfying birth experience. It uses texts and supplementary literature, videos, slides, small group activities, hands-on practice and role-play to develop theoretical knowledge and practical skills as a doula. No pre-requisites are necessary, only a willingness to participate, learn, and have fun in a unique experience (***read more below on requirements for those with no previous trainings or qualification in the field***)
